

My Year in Review

Children love looking back to see what they enjoyed at different ages! This activity encourages your child to reflect on their school year and make writing into a meaningful activity.

Here's How

1. Gather Materials

You'll need paper, pencil or pen and an envelope or small box to store finished work.

2. Talk First

It helps for children to clarify thoughts before writing. So, ask your child each question and let them share their ideas aloud.

3. Writing Answers

If writing is challenging for your child, you can be the writer. Just make sure your child is using their words to tell you what to write.

You can also add a drawing from that year to go with their answers.

4. Save and Store in a Safe Place

Tuck away the answers somewhere safe. Next year, you can take a look and see what was written and if anything has changed.

Prompts

- My favorite thing about (grade number) _____ grade was _____.
- My favorite book I read was _____.
- The favorite thing to do with my family was _____.

- My favorite game I played was _____.
- The favorite toy I played with _____.
